# About Me:

I am Roberto D. Magno Jr., and I am 19 years old from La Purisima, Aliaga, Nueva Ecija, a dedicated and motivated Bachelor of Science in Information Technology student at Phinma Araullo University. I am committed to developing my skills and growing professionally by learning new ideas and adapting to different work environments. I value professionalism, strong work ethics, and continuous learning.

I am detail-oriented, versatile, and capable of managing my time well. My technical skills include MS Office, Google Workspace, multimedia tools like iMovie and Canva, and basic software knowledge such as Xero and QuickBooks. I also have hands-on experience in customer service and teamwork through my work immersion, where I learned how to communicate effectively, handle payments, and assist in daily operations.

With my willingness to work hard and improve, I aim to contribute positively to any organization where I can apply my skills and further enhance my abilities.
